Ms. D's Diary

Dear Parents,

I am extremely proud and excited to let you know that Westmeadows Primary School received a letter of recognition and congratulations for achieving substantially above average learning gain in Mathematics and Reading.

“On behalf of ACARA, I would like to extend my congratulations to you and your school community on this achievement. Improvement in student literacy and/or numeracy of this magnitude, as measured by NAPLAN, is significant and worthy of highlighting and acknowledging.”

We were amongst sixty five schools across the State and Catholic systems to receive this letter. There are over 2500 schools in Victoria. Wow – what a significant achievement!

This achievement is testimony to the hard work, dedication and commitment of our staff and their willingness to seek out and practise best pedagogy in a collaborative culture.

The real stars however are our students. Visits to our classrooms reveal students trying hard, never giving up and helping others. All we want is for the children to be the best that they can be – and by all indications this is being achieved. Congratulations everyone, I couldn't be prouder!

Open Day

Come and see for yourself the great work that is happening in our classrooms during our Open Day tomorrow – Tuesday, 30th April, 2019. Simply sign in at the office and you'll be free to visit as many classrooms as you like. Stay for 10 minutes or stay for two hours – we would love to see you.

Principal Tours will also be conducted at 10.00am and at 12.30pm. If you know anyone who is interested in enrolling their child in Foundation in 2020, please let them know about the tours.

Mothers' Day Stall

Our annual stall will be held on Thursday, 2nd May, 2019 in Room 1D commencing at 9.10am. If you are one of our volunteers, I would like to say a big thank you on behalf of the students. Children are asked to bring along money for gifts and raffle tickets. We also ask that they bring along a plastic bag to carry their gifts home.

Election Day BBQ

We are looking for volunteers to help and serve at the Sausage Sizzle on Election Day. If you would like assist can you please leave your name at the office by Friday 3rd May 2019, and the time you are available .

A future enrolment

Our congratulations to Ms Melissa Krecul (Grade 5/6T) and her partner Kenny who are expecting their first child in October. We wish you both health and happiness as the arrival of your bundle of joy draws closer.

Junior School Council

Congratulations to our students who raised \$579 for the Royal Childrens' Hospital. Our Junior School Council successfully organised a Uniform Free Day at the end of last term.

This Friday, 3rd May, 2019 Junior School Council in conjunction with Mr Paslawskyj have organised a basketball match between our teachers and the U.18 Broncos USA Tour Team.

The children are asked to bring a gold coin donation to watch this entertaining match. The Basketballers will then follow up with a Clinic for the students in Grade 3/4.

EDUCATION DEPARTMENT FIND MY SCHOOL

[The findmyschool.vic.gov.au website](http://www.findmyschool.vic.gov.au)

The Department is launching a new website that visually represents all school zones throughout Victoria.

Parents considering enrolling their children in public schools will, for the first time, be able to use findmyschool.vic.gov.au to identify their designated neighbourhood school from the residential address they provide.

Findmyschool.vic.gov.au will make it easier for parents to find their local neighbourhood school and locate other public school options.

Providing this information online will bring Victoria into alignment with other states that already offer this information online.

HOW TO USE THE FINDMYSCHOOL.VIC.GOV.AU WEBSITE

The website has been designed for simplicity.

Begin by visiting www.findmyschool.vic.gov.au

You can find a designated neighbourhood school by residential address OR searching using the name of a school.

The result will show:

where the school is located within the zone and the residential address (if provided) information about the school, its region and a link to the school website.

To refine results to the type of school, select 'Primary' or 'Secondary'. There is the option to filter results by year level for secondary schools.

To start a new search, simply replace the address or school name.

The website also includes a link to the School Zones page on the Department's website for more information. This includes the list of frequently asked questions provided at the end of this document.

NOTE: If a property is intersected by a school zone line, the child residing at that property has the right to attend the school in either zone.

HUME CENTRAL Secondary College

ACHIEVEMENT DIVERSITY SUCCESS
